MOUNT BEAUTY COMMUNITY CENTRE

Meet our artists and sponsors of our very first event. This evening is sure to be a great start to a new and improved festival. 2019 is looking to be a cracker stay tuned for details. 2018 has an awesome line up, plus we have local community groups and businesses providing an array of food and drink from 4pm til late

Charm of Finches they are a "dream folk" duo based in Melbourne, Australia. till in their teens, sisters Mabel and Ivy started busking bluegrass A Capella at ages 11 and 8. Music to gaze at stars by, their sound has been described as chamber folk, their signature angelic sibling vocal harmonies with lashings of guitar and cello (Mabel) and fiddle and glockenspiel (Ivy).

The Hot Springs - writing and recording at a home studio in Melbourne's North. Today The Hot Springs includes Renn Picard (The Northern Folk) on saxophone, Louis Majiwa (Louis Majiwa Trio) on bass and Cassie

Kumashov (Morbidly O'beat) on drums and as far as they know, are the tallest band in Melbourne

The Northern Folk-Hailing from Albury, NSW and now based in Melbourne, The Northern Folk are a collective of ten musical ambitionists spreading their unique brand of folk/pop/stomp/rock into the roots of small towns and big cities alike. Combining two powerful vocalists, roaring horns, bashful bass and addictive percussion, their big, diverse sound proves flexible both on stage and on record, and is continuing to earn them a following wherever they travel.
